How it works.

1

Book an appointment.

Go to DispatchHealth.com or call 888-635-8670. We'll ask a few questions about how you're feeling to make sure it's safe to treat you at home.

2

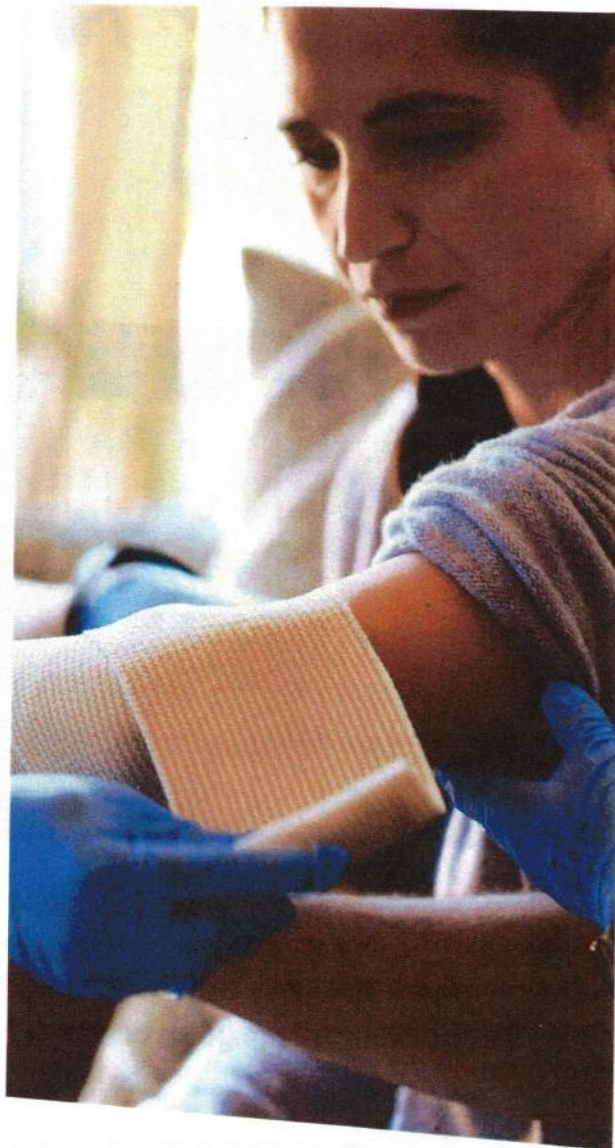

Get care.

Our team comes to you, with remote support from an emergency medicine doctor always just a call away.

3

We handle the rest.

We take care of follow-ups like calling in prescriptions, updating your doctor, and billing through your insurance company.*

"DispatchHealth's medical team listened to my issues, thoroughly went through the diagnosis, wrote a prescription and advised on recovery—all from the comfort of my couch. DispatchHealth is amazing!"
